

Healing Sexual Guilt

One of the key blockages to our joy and prosperity is guilt. And one of the key reasons for guilt is sexual shame. Learn how ancient teachings were distorted to create sexual shame as a means of control, and learn how to release yourself from any internal or subconscious shame that keeps you from your good.

Taught by **Senior Minister Rev. Jim Webb**, author of *Pathways to Inner Peace* and the forthcoming *Pathways to Prosperity*. He is a powerful spiritual teacher whose spiritual insights and wisdom have helped many to live the most fulfilling life possible for themselves.
