

Takoma Park Chapel Presents

Silencing Your Inner Saboteurs

Around the 2nd week in January, you start hearing voices —the voices of your INNER SABOTEURS whose main purpose is to make you break your New Year's Resolutions. Whether **THIS YEAR WILL BE DIFFERENT** or not, depends on whether you can silence these saboteurs (the inner critic, the inner judge, the inner saint, the inner sinner, etc.). Come learn how to identify them, discover their trickery and deceptiveness, and beat them at their own game so that **THIS YEAR WILL BE DIFFERENT**.

Sunday, January 9 from 1 to 3 at 10000 Powder Mill Road, Silver Spring MD 20903. Suggested donation \$20 Members / \$25 Friends.
